Monthly Credit Requested	£
--------------------------	---

All business undertaken is subject to BIFA (British International Freight Association) standard terms and conditions, copies of which are available on request. All goods are covered by our goods in transit insurance which has limited liability in line with CMR (Convention on the Contract for the International Carriage of Goods by Road). Details of this are available on request. In endorsing this form, you agree by the terms and conditions stated herein.

Proofs of Delivery are not provided as standard, and in accordance with Article 4 of CMR, non provision is not accepted as reason for non payment of freight invoices, unless expressly agreed in writing.

NOTE: Credit status is zero until approved, and any work prior to approval must be paid for prior to delivery of goods. Approval may take several days depending on speed of response from referees.

NOTE: Interest and compensation charge may apply on late payments in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.

DECLARATION BY APPLICANT SEEKING CREDIT

I, being an authorised person for this business, do agree that payment of all accounts will be made within Brunel Shipping and Liner Services (London) Ltd credit terms and agree that adherence to this obligation is the essence of the contract between us.

I authorise Brunel to make a search through credit reference agencies in order to ascertain status and credit worthiness, and is free to repeat such searches to periodically review such facility, and that this information may be shared with other businesses. Such searches may also collate information of Directors and Partners.

I authorise our bankers to provide an opinion as to our suitability for the requested account.
